

SIS Swiss International School operates 16 bilingual, private day schools in Switzerland, Germany and Brazil. More than 3.700 students attend our classes from preschool through to secondary school. They come from local as well as from international families and learn in German (or Portuguese) and in English.

For the school year 2019/20, we are seeking for our school in Berlin a

Secondary Teacher (m/w/x) Biology

part-time (15 hours per week)

A full-time position may be available depending on additional subject qualification.

Your profile:

- Fully qualified teacher (PGCE / QTS / 2. Staatsexamen or equivalent qualification plus teaching experience)
- Subject-specific expertise and enthusiasm
- Passion for teaching and supporting children and adolescents in all areas
- Native or near native level of English, good understanding of German preferred
- Ability to work in a team and interest in being part of an innovative and international staff

Our offer:

- the opportunity to actively participate in the educational development of the school by contributing your own ideas
- an open and welcoming atmosphere
- a stimulating professional learning and working environment characterised by the ideas of a teaching team made up of various nationalities.
- manifold staff development opportunities with a particular focus on bilingual education
- additional employer benefits (e.g. reduced price for lunch, company pension scheme etc.)
- an international environment on a park-like campus on a historic estate in the West of Berlin
