

SIS Swiss International School operates 16 bilingual, private day schools in Switzerland, Germany and Brazil. More than 3.600 students attend our classes from preschool through to secondary school. They come from local as well as from international families and learn in German (or Portuguese) and in English.

For the school year 2019/20, we are seeking a

Preschool Teacher (f/m/x) part-time (70%)

for our school in Fellbach near Stuttgart.

SIS preschools cater to children from the age of three. Children are looked after and taught by German- and English-speaking preschool teachers. The SIS preschool curriculum incorporates the relevant curriculum of Baden-Württemberg.

Your Profile:

- Fully trained and qualified preschool teacher
- Passion for teaching and supporting children in all areas
- Team spirit and openness to new experiences
- Awareness of importance of preschool education as a basis for continuing education
- Native or near native level of English, good understanding of German preferred
- Ability to work in a team and interest in being part of an innovative and international staff

Our Offer:

- An innovative pedagogical concept: preschool and school under one roof where German and English are equally important in school communication
- The opportunity to actively participate in the educational development of the school by contributing your own ideas
- A stimulating professional learning and working environment characterised by the ideas of a teaching team made up of various nationalities.
- The chance for manifold staff development opportunities with a particular focus on bilingual education
- An open and welcoming atmosphere
- Additional employer benefits (e.g. reduced price for lunch, company pension scheme etc.)
- A new facility featuring state-of-the-art equipment

Please send your complete application documentation via email to application.fellbach@swissinternationalschool.de

We look forward to hearing from you!
