- SIS Regensburg is interested in making its educational offer available to as many interested families as possible. Upon request and with proven financial need, supported by documentation, a student of primary or secondary school is able to receive a **partial scholarship**, whereby a contribution appropriate to income is to be made by the family. Please contact the principal for further information on basic conditions, selection criteria and application modalities.
- You have the option of purchasing **lunch** from an external provider. Please contact the school office for further information.
- After School Care** between 4.00 p.m. and 5.00 is an additional offer and shall be covered by a separate arrangement. You can take advantage of this offer for one or more (up to five) weekdays. Please note that the booking of specific weekdays within the After School Care cannot be changed for at least one school semester (Sep 1 - Feb 28/29 and March 1 - Aug 31). Additional days can be booked during the course of the year. This has to be coordinated and approved by the principal and depends on available resources.
- State Subsidies:** The State pays subsidies for each secondary school student, who fulfills the appropriate requirements (according to art. 47 / 3 and 4 BaySchFG). The amount is currently 77 EUR for each month a student attends the secondary school. The subsidies have been included in the tuition fee calculations that are displayed on this price list.
- Families receive a **sibling discount** in tuition fees by 10% for the second or third child enrolled at SIS. The one-time entrance fee as well as the expenses incurred for the hot lunch programme and other additional services are not affected by this reduction.
